Dear Sir:

RE: Oxtongue Lake Narrows Bridge

Council of the Township of Algonquin Highlands is in receipt of your Notice of Public Information Centre regarding the above noted project. Council has also been provided with, and has been asked to support, a letter from the Oxtongue Lake Ratepayers' Association regarding same which outlines the concerns of the residents, cottagers and business's in the surrounding area affected by the proposed construction.

The community of Oxtongue Lake relies heavily on the tourist economy during the summer months and Council certainly appreciates their concerns that the construction process may have a negative effect on their seasonal economy.

To this end, Council respectfully requests that the concerns put forward by the Oxtongue Lake Ratepayers' Association be carefully considered as construction plans progress for the Oxtongue Lake Narrows Bridge.

Thanking you in advance.

Yours truly,
