### Other Business

It was noted that the Harris Bay Road is in a bad state. It needs grading and gravel. Fran Gower, Council Member, will bring it up at Council meeting July 11th. However, she suggested that people affected should attend Council Meeting and address their complaints directly to Council. This would be much more effective.

F. Gower stated that the zoning by-laws were in second reading and would be presented to ratepayers after the third reading.

Garbage Pick-up - B. Keown stated that garbage is picked up every Sunday at 6:00 P.M. or later.

It was noted that the water level is too low. It was decided that several members will organize a party to build up the dam with stones. It was noted that this had already been done at least once this spring.

W. Swift requested that boat operators watch out for long distance swimmers. Blue and white markers indicate that swimmers are in the vicinity.

It was suggested that prices be obtained for tennis courts and shuffleboard court at the community centre -- possibly from Fowler Construction. It was noted that if the Community Centre were turned over to the Township, this type of suggestion would receive a lot more action.

Jim Elliott invited everyone to look at the air photo on display.

Thanks were extended to:

- (1) Edythe Pittman for the winter letter and,
- (2) Fran Gower in keeping us informed of Council affairs as they affect Oxtongue residents.

Next meeting will be held July 31, 1977.

Meeting adjourned 2:15 P.M.
